## THE ART EVENT OF THE SEASON

Eventide 20"x10"

We are hopeful that the weekend of March 11-12 will be a classically beautiful St. Augustine springtime weekend and encourage you to bring a friend and relative. You will enjoy Hors d'oeuvres, beverages, and an opportunity to meet directly with one of the world's great painters who will gladly pose for pictures with you and your purchases. We will have the gallery all dressed out at its very finest and you will be as welcome as the flowers of spring. With that in mind, Simon will be unveiling several new editions from his floral collection. Our best advice to true art collectors is the following: If you see something here that you have always wanted then CALL NOW and "LOCK IT IN" before the show. That will be your best way to get your favorite. Newly entitled originals will be at prices representative of Simon's new increased price structure which will be at least 30% above the pieces advertised here. Our prices have always been the best of any Simon Bull dealer in the world, however we will soon be required to sell new inventory at his standard prices. NOW IS THE TIME FOR YOU TO MAKE UP YOUR MIND AND TREAT YOURSELF TO THE POWER, BEAUTY, AND SHEAR JOY OF OWNING A TIMELESS WORK OF ART! We know of no more exciting painter and this will be your opportunity to get to know Simon on a personal basis. It is truly no different than the opportunity art collectors of yesteryear had to meet Monet, Picasso, Matisse, and others. See you at the show!

# CALL FOR PRICING

Dear Friends and Art Lovers,

As the years unfold, we are pleased to find the number of our serious art collectors is ever increasing. This letter is designed to alert you to the current condition of our inventory of originals from one of the world's great masters, Simon Bull. For years we have accumulated what is now the largest collection in the world of his creative and colorful masterpieces. These paintings are unique and special, and as a package, constitute a show of museum quality and national importance. Those of you who attended our recent show for Spanish Master ROYO can attest to the marvelous effect of hanging the gallery, "MUSEUM STYLE". That is to say, each lovely original creation will be hung at eye level in order for Simon's collectors to enjoy the effect and understand the importance of each display of his creative ability (both large and small), and to realize an opportunity of envisioning life with a Simon Bull image as part of a personal collection. As serious art collectors and a dedicated dealer, we can tell you that a show like this will never again occur. No dealer will have the opportunity, good fortune, space, or willingness to accumulate such an enormous array of canvases. Whatever you are doing, wherever you must be, please mark your calendar and **SAVE THIS DATE, MARCH 11th & 12th**. This will be your single best opportunity to own a Simon Bull original! We intend to sell a large number at this show and based on our recent Thomas Arvid and ROYO shows, that is exactly what will happen. Kindly review our web site, [www.lovesemporium.com](http://www.lovesemporium.com), for further information on each piece depicted here. All images will be beautifully designed and custom framed here at Loves' Custom Framing located on Aviles Street. You may contact us at 904.810.0460 for further information, descriptions, insight or general discussion. We will be more than happy to share all we know about each piece.

Sincerely, *The Cutter Family*
